Dear Doctor:

At our last meeting of the Civic Improvement Committee of the Wasatch Chamber of Commerce, it was felt that within two weeks from that date that all committee Chairmen should meet with their members to attempt to promote and develop the program of work they have selected for this year.

On the bottom of this letter it would be helpful for the records if you would indicate what has been done and then return this letter to me at your convenience.

I certainly want to thank you for the fine work that you are doing in promoting the activities of the Civic Improvement Committee.

Sincerely yours,

Gordon Mendenhall
